

TOWN OF BENNINGTON
CEMETERY TRUSTEES
Minutes of the Meeting – July 10, 2012

Present Jill Young
 Karen Bartlett
 Sheila Clough

The Cemetery Trustee meeting was called to order at 6:02 p.m.

The minutes of the June 12, 2012 meeting were reviewed and accepted as written.

A report was given on the status of the water leak at Evergreen Cemetery. The leak has been fixed. Head Water Commissioner, Jim Cruthers overruled the Trustees and ordered the leak to be fixed. The Trustees did not feel that they should be responsible for the bill as they did not authorize the repair. It was noted that the leak was on private property and not in the Cemetery. The time to do the repair was donated.

Jill noted that Karen is now trained for selling cemetery lots. The Trustees will meet with an individual who has purchased a lot due to a sudden death in the family. Jill reminded the Trustees to check cemetery lots after they have been dug to be sure they have been covered with plywood. Sheila will be trained in September.

Jill reported that a revised copy of a deed has been done. A new deed has been processed with the new owner names.

There being no other business at hand, the meeting was adjourned at 6:27 p.m.
