

TOWN OF BENNINGTON  
CEMETERY TRUSTEES  
Minutes of the Meeting- February 12, 2013

Present       Jill Young  
                  Karen Bartlett

Jill Young called the meeting to order at 6:00 p.m.

The minutes of the November 13, 2012 meeting were reviewed and accepted as written.

Jill noted that she has not heard from the administrator about the Catholic Charities Grants that are being offered. Jill will follow up with the administrator on this.

Jill will contact Mr. Kaufold concerning the need to put initials or numbers on the corners of the gravesites.

The Road Agent has not gotten back to the Cemetery Trustees about the lettering on the cemetery gate. Jill will contact Mr. Russell after all the clean up from the snowstorm is over.

The Cemetery Trustees have received an estimate for cemetery clean up and mowing from Mr. Gagnon. Mr. Tyler has not submitted an estimate at this time. The Trustees will put an ad in the paper and run it for two weeks.

It was noted that when community service is to be done in the cemetery, there needs to be a Cemetery Trustee present. This will help to ensure work is done in the desired location.

The Trustees hope to view the cemeteries over February vacation to get an idea of the work needed to clean up tree limbs as well as trees needing to be removed.

A question was brought forward as to whether the Trustees could raise the funding for the new lettering on the cemetery gate with a fundraiser. Jill will contact Terry Knowles about this and if the money raised can go to the Cemetery Trustees or need to go to the general funds first.

Interest in the purchase of a lot was expressed. This will be followed up on at a later date.

There being no other business at hand, the meeting was adjourned at 6:25 p.m.

Respectfully Submitted by

Debra Belcher  
Cemetery Trustee Recording Secretary
