Meeting Minutes

June 4, 2014

Attendance:

Molly Eppig & Peter Eppig, Peter Martel, and David McKenzie (Chair).

Meeting called to order at 7:10PM

Minutes from 4/2/14 were read and approved

Peter M and David shared a bit about what they learned at the LES Conference, specifically about a large scale school energy retrofit, and a bit about wood fired heating issues.

Peter M gave an update on the Depot Project, that the architects draft is done and Peter M will see if he can share the draft, otherwise he'll get a review back to before the end of the week so updates can be shared ASAP. Peter M will try to arrange a meeting w/ the architect and Margaret Dillon before David leaves for vacation on the 18th.

David shared a draft he wrote for the LEWG Newsletter re the VFW?Depot project. He'll submit it with minor changes.

David will check with the Water Commission re the status of the Pump House.

We tabled the issue regarding: the need for an improved thermostat in the town office and checking with the Police Dept to be sure they also have a programmable one and it is set as it should be.

Peter E will check with the NHMA re the electronic meeting/quorum rules as they will be at PEI during the months of July through September.

The next regular meeting will be changed to July 9th at 7PM. (David M will notify the office for posting purposes).

Meeting adjourned at 8:15PM.

Respectfully submitted,

Peter K. Martel
