

TOWN OF BENNINGTON
PLANNING BOARD

Minutes of the Site Walk- September 22, 2014

Present David McKenzie, Chairman
 Christopher Maple, Vice Chairman
 Jeffrey Rose, Ex Officio
 Dennis McKenney, Agent for land owner
 Joseph MacGregor, Conservation Commission
 John Baybutt, Conservation Commission
 Stephen Willette, Conservation Commission
 Scott Liljeberg, land owner

Chairman McKenzie called the Public Hearing to order at 6:30 p.m. and began the site walk. Mr. McKenney guided the site walk pointing out the well site, boundaries, septic, leach field and access strip. It was noted that the parent tract of land is under current use. Chairman McKenzie asked if there is a test pit on the parent tract. He will check with the Town Ordinance to see if it is required. Mr. McKenney stated that he believes that the State does not require a test pit if the acreage is over 5 acres.

The Public Hearing was continued to October 13, 2014 at 7:00 p.m. at the Bennington Town Hall.

The meeting was closed at 6:45 p.m. to be re-opened at 7:00 p.m. at the Bennington Town Hall.

Respectfully Submitted by

Debra Belcher
Planning Board Recording Secretary
