Chairman McKenzie called the meeting to order at 7:07 p.m.

The minutes of the July 27, 2015 meeting were reviewed and accepted with a minor amendment.

The Board received a letter from Terry Hardwick noting that their gravel pit renewal will be delayed as they have not yet received their renewal from the State. They will apply to the Town as soon as possible. The Board noted that they will potentially plan for the renewal on the second meeting in September.

The Board received notice of the Municipal Land Use Law Lecture Series. A lecture on grandfathering will be held in Keene on September 16.

The Board continued working on the Master Plan. It was noted that the Board will need input from Town Department Heads for changes of the predicted needs in the next 10 to 15 years. The Board reviewed and made changes for Town Hall Government, Fire Protection, Highway Department, Water + Sewer, Library, Recreation, Health and Welfare, Cemeteries, Education, and Transportation. It was noted that the Board will need to contact many Department Heads for information to ensure accuracy.

In other business, the Board is still waiting to hear from Mr. Manna. It was noted that Mr. Manna still has a sign out and is advertising his business. Mr. Manna was served by the Selectmen on July 8, 2015, but still appears to be operating his business. The selectmen are addressing the issue.

As there was no other business at hand, the meeting was adjourned at 8:34 p.m.
