Chairman McKenzie called the meeting to order at 7:02 p.m.

The minutes of the June 27, 2016 meeting were reviewed and accepted with a minor correction.

The Board reviewed key points of the Master Plan and discussed a plan to present it to the public on July 18, 2016. It was noted that copies of the Master Plan are available for viewing at the Town Hall, G.E.P. Dodge Library, and the Town Website. The Board will present a summary of the Master Plan highlighting the Vision Statement and key sections of the Master Plan. Sam Cohen suggested that the Board include details about North Bennington Road where the river runs adjacent to the road and is a potential hazard, and the Fire Department's plans for dry hydrants. The Board will also show zoning maps and highlight the Future Land Use Plan. Chairman McKenzie will send the information to be highlighted to the public to the Board Members before July 18, 2016.

As there was no other business at hand, the meeting was adjourned at 7:37 p.m.
