

TOWN OF BENNINGTON  
CEMETERY TRUSTEES  
Minutes of the Meeting- June 13, 2017  
Draft

Present        Karen Belcher, Chairman  
                  Joshua Segal

Chairman Belcher called the meeting to order at 6:48 p.m.

The minutes of the May 9, 2017 meeting were reviewed and accepted as written.

Joshua noted that Mr. Kaufold is finishing up the stones that needed repair and will be submitting his bill soon. Joshua asked that the bill be held until such time as the work has been verified.

Joshua has begun working on the Sunnyside Cemetery project. A file for each of the 160 lots will include location, deed and details for each lot. It was proposed that a work session could be used to update some of these files.

Karen noted that the annual Cemetery Trustees meeting is being held on June 19, 2017 in Concord. She has reserved 3 seats at the meeting and asked for an extra handbook as well as a CD for use by the Trustees.

Karen also informed the Trustees that there will be a presentation in Lyndeborough on June 19, 2017 at 7 pm for green burials.

The Trustees reviewed an updated budget report for June.

It was noted that the Trustees will speak to Mr. Kaufold about the price for granite posts for Sunnyside Cemetery.

As there was no other business at hand, the meeting was adjourned at 7:17 p.m.

Respectfully Submitted by

Debra Belcher  
Cemetery Trustee Recording Secretary
