

Bennington Planning Board
Site Walk
April 24, 2017

Attendance:

David McKenzie, Planning Board
Donald Trow, Planning Board
Jeff Rose, Planning Board
Chris Maple, Planning Board
Austin Turner, Bohler Engineering
Patrick Netrebo, Bohler Engineering
Joe MacGregor, Bennington Conservation Commission
Jon Manley, Bennington Conservation Commission
Mike Munhall, Bennington Conservation Commission
Robert Geddes, Abutter

The hearing was reconvened at 6:00 PM on April 24, 2017 for a site walk at Tax Map 16, Lot 2. Mistery Austin and Netrebo guided the attendees on a walk around the perimeter of the proposed Lot 2A and showed the stakes located at the four corners of the proposed Dollar General Store. Locations of test pits, the septic system, and the two rainwater collection basins, as well as the run-off paths, were delineated. The members of the Conservation Commission asked several detailed questions, which were satisfactorily addressed and can be found in the minutes of the reconvened hearing. The site walk was finished at 6:50 PM and the hearing was continued to 7:00 PM at the Town Hall.
