July 16 to 20, for students entering grades 4 through 6

Exploring the SuperSanctuary

Have you ever wanted to wander the woods, just seeing where the day takes you? We'll spend the week following brooks, climbing boulders, hiking peaks, and finding traces of the land's long-ago settlers. You might eat your lunch in a different spot everyday as you discover the SuperSanctuary's secret places.

VOYAGERS

July 16 to 20, for students entering grades 5 through 7

Voyagers will adventure through local woods, over trails, and up mountains – all while developing low-impact hiking skills. We'll also explore Lake Nubanusit and Spoonwood Pond by canoe, learning paddle strokes as we watch for Nubanusit's bald eagles, loons, and other wildlife. 9 a.m. to 3 p.m.
