 Sam Cohen, Vice Chairman
 Donald Trow
 Luke Hardwick

Guests Alex Mason
 Ted Veale

Planning Board Chairman McKenzie called the meeting to order at 7:03 p.m.

Alex Mason approached the Board noting his interest in becoming an alternate for the Board. Chairman McKenzie stated that he would suggest that Mr. Mason view the meetings for a while before becoming an alternate. The Board gave Mr. Mason a brief overview of the functions of the Planning Board.

The Planning Board asked that the Administrator be reminded that she still has not printed a handbook for Luke Hardwick.

Ted Veale approached the Board for an informal chat for direction on how he should proceed with the replacement of a bridge on his property. Mr. Veale owns the property at Map 21, Lots 13-1, 13-2, 13-3. Mr. Veale noted that he needs to replace a bridge that supplies access to the house on one of the lots. Mr. Veale would like to develop the back-lots. He mentioned a possible OSRD which would require a class 5 road and a wider bridge. Mr. Veale was directed to the Building Code Officer.

As there was no other business at hand, the meeting was adjourned at 7:55 p.m.
