Draft

Present        Joshua Segal, Chairman

                  Robert Christian  
                  Bethany Craig, Alternate

Chairman Segal called the meeting to order at 6:30 p.m.

The minutes of the April 13, 2021 meeting were reviewed and accepted as written.

It was noted that Bethany Craig has deposited money from the NH Charitable Funds and will forward the reports to the Cemetery Trustees.

Robert Christian has not received responses from individuals to cut down the marked trees at this time. He will get the information for next month's meeting.

It was noted that the stone retainer within a lot at Sunnyside Cemetery will need attention soon. There is also a footstone at Sunnyside Cemetery that appears to be missing. The footstone should be located in Row E. The Cemetery Trustees will ask Mr. Chicoine if he has noticed it. It was noted that the cemeteries are looking good.

The Cemetery Trustees have received a call from Peterborough Marble and Granite to verify the location for a base for a stone on the Manley lot.

The Joshua Segal will contact John Giffin about possibilities for fencing at Sunnyside Cemetery.

There being no other business at hand, the meeting was adjourned at 6:59 p.m.
