

TOWN OF BENNINGTON  
CEMETERY TRUSTEES  
Minutes of the Meeting- June 8, 2021  
Minutes Accepted on July 13, 2021

Present        Joshua Segal, Chairman  
                  Karen Belcher  
                  Robert Christian

Chairman Segal called the meeting to order at 6:31 p.m.

The minutes of the May 11, 2021 meeting were reviewed and accepted with a minor correction.

Karen will follow up with Bethany about the funds available from the NH Charitable Funds.

Robert is working on obtaining quotes for the tree work in the cemeteries. He has gotten two quotes at this time. The Cemetery Trustees will have a request for quotes put on the Town Facebook site. This was tabled until the July Trustees' meeting.

Joshua will be getting updated information on the fencing for Sunnyside Cemetery.

In other business, the first billing for cemetery clean up, mowing and labor was \$2,380.00. This may be offset with interest funds from the perpetual care line item from the Trustees of the Trust Funds in the amount of \$635.40. The billing was approved and signed by all of the Cemetery Trustees.

It was noted that a Burial Transit Permit was received for Mt. Calvary Cemetery. This will be filed.

An inquiry was made by Mr. Zachos for his family lot. He wanted to know how many people could be buried in his lot. He has an 8 full burial lot which currently has 5 full burials in it.

A letter was received from Cheryl Woods concerning the transfer of lot 228b. She has been working with Joshua to update a name change on the deed. It was noted that the original deed will need to be turned in. Joshua asked if there was a fee if the deed was lost. At this time there is nothing in the bylaws to address this. It was suggested that the Trustees finalize the new rules and regulations. The Trustees agreed to use the July meeting time as a work session.

As there was no other business at hand, the meeting was adjourned at 7:00 p.m.
