

TOWN OF BENNINGTON
CEMETERY TRUSTEES
Minutes of the Meeting- December 8, 2021
Draft

Present Joshua Segal, Chairman
 Karen Belcher
 Robert Christian

Guest John Giffin

Chairman Segal called the meeting to order at 6:37 p.m.

The minutes of the November 9, 2021 meeting were reviewed and accepted as written.

The Trustees discussed the fencing work done at Sunnyside Cemetery. Nine full sections have been replaced leaving a gap at the far end on the fence. Mr. Giffin installed a small section of the old fence to fill in the gap for the time being. Chairman Segal expressed his concern about the appearance of the fencing. It was explained that as the fencing is being replaced in sections it is a work in progress. The next phase of fence work will include the small section where the gap had been left. In the spring the Trustees will get a quote for the next section of fence to be done. It was noted that the Trustees need to put up No Trespassing signs at the cemetery. Rob will take care of the signs. The Trustees signed the billing for the fence work.

In other business it was noted that the Trustees will continue working on the Rules and Regulations in January.

As there was no other business at hand, the meeting was adjourned at 7:00 p.m.

Respectfully submitted by

Debra Belcher
Cemetery Trustee Recording Secretary
