

TOWN OF BENNINGTON  
CEMETERY TRUSTEES  
Minutes of the Meeting- April 12, 2022  
Minutes were accepted on May 10, 2022

Present        Karen Belcher  
                     Robert Christian

Karen Belcher called the meeting to order at 6:30 p.m.

The minutes of the December 8, 2021 meeting were reviewed and accepted as written.

One cemetery lot was sold and the deed was completed and forwarded to the Selectmen for a signature. It is unknown if Joshua has ordered the corner stones at this time. It was noted that the supply of blank cemetery deeds is getting low. An order will be placed with Premier Printer for 100 deeds at the price of \$13.00. This will be charged to Maintenance Supplies.

In other business, grass seed is needed for the cemeteries. A quote of \$239.99 for 50 pounds of landscaper mix was given to the Cemetery Trustees. The Cemetery Trustees will do some shopping around to find the best price. Karen Belcher made a motion that Robert Christian shall purchase 50 pounds of grass seed for the cemeteries with a price cap of \$250.00. Robert Christian seconded the motion and all were in favor.

A letter has been received from the Water Commissioners noting the need to replace old waterlines in the cemetery. It was suggested that the Water Commissioners be invited to the next Cemetery Trustee's meeting so that the two Boards can work together on this project.

It was noted that a stone has fallen over in Evergreen Cemetery. The family name on the stone is Favor. Very little information is known on this lot. The Cemetery Trustees would like to have the stone re-set before any damage can happen to it or someone is injured on it. Karen Belcher made a motion to have Joshua Segal get a quote for re-setting the stone as well as reminding him to order the corner stones for the Wilk's lot. Robert Christian seconded the motion and all were in favor.

Karen nominated Robert Christian as Cemetery Chairman. Robert Christian seconded the nomination and all were in favor.

As there was no other business at hand, the meeting was adjourned at 7:14 p.m.
