Guests        James Cleary, Selectman  
                  Thomas James, Selectman

Karen Belcher called the meeting to order at 6:30 p.m.

The minutes of the July 12, 2022 meeting were reviewed and accepted with a minor correction.

Karen notified the Trustees that billing had been received for the installation of cornerstones at the Trow lot, lot number 121. It was noted that the cornerstones that were installed in the Trow lot were moved to be installed in the correct lot, lot number 121, purchased by Anne Trow.

Billing was also received for the monthly mowing and a clean up after a storm. The bill had been signed and submitted for payment.

The Cemetery Trustees worked on updating the Evergreen Cemetery records. It was suggested that a notation be added to the master map to indicate the lot size.

In other business, the Selectmen met with the Cemetery Trustees to discuss the possible increase in the price of cemetery lots. The Selectmen were not in favor of increasing the price of a cemetery lot. It was suggested that efforts be made to expand the current Evergreen Cemetery using land located between the current cemetery and the Catholic Cemetery.

Karen made a motion that the September Cemetery Trustee meeting be canceled due to the State Primary Election. Joshua seconded the motion and all were in favor.

As there was no other business at hand, the meeting was adjourned at 7:44 p.m.
