Meeting Agenda

Present: Tom James, Tony Parisi, Tax Collector, Cathy McGillicuddy, Town Administrator, Debra Davidson

Selectman James called the meeting to order at 8:30 am. Seconded by Selectman Parisi

Tax receipt – Tax Collector has received a tax payment of \$40,000.00 for a resident who had applied through NH Housing for this funding. Discussion followed regarding the payment. Chairman Cleary had spoken to the Town Administrator and was not in favor of forgiving the interest. Discussion followed about forgiving the interest. This would bring the taxes to a zero balance. The resident has agreed to a monthly payment in hopes of getting interest caught up.

Selectmen Parisi and James voted to forgive the interest, bringing the resident up to date once the lien is released.

Decision: To forgive the interest for this resident, and if in the future this ever gets so behind, this would not be an option of forgiving the interest.

With nothing further, the meeting was adjourned at 9:15 am.

Respectfully submitted,

Debra Davidson, Town Administrator
