

TOWN OF BENNINGTON
CEMETERY TRUSTEES
Minutes of the Meeting- February 14, 2023
Draft

Present Robert Christian, Chairman
 Karen Belcher
 Joshua Segal

Chairman Christian called the meeting to order at 6:30 p.m.

The minutes of the August 9, 2022 meeting were reviewed and accepted as written.

The minutes of the October 11, 2022 meeting were reviewed and accepted as written.

Rob reported that he has put the records of Evergreen Cemetery on a thumb drive to be used as a working copy for the Trustees.

Joshua brought a concern to the Trustees that the height of a monument in Evergreen Cemetery exceeds the allowed permitted height. The monument in question has a statue of a cat placed on top of it which is removable. At this time the Cemetery does not have a height restriction for the monuments.

In other business, Robert Christian made a motion to obtain a google account for the Trustees to use for cemetery records. This would be used for a working copy for the Cemetery Trustees only. Robert Christian made an updated motion to include looking into have an email account created for the Cemetery Trustees as well. Karen Belcher seconded the motion and all were in favor.

It was noted that there will be no Cemetery Trustee's meeting in March as there will be voting on March 14, 2023.

Karen noted that the information she gave to the Town Administrator was used to create an article for the Town Report.

Joshua asked if he would be able to sign up to be on the ballot in March. The period for signing up ended in the beginning of February. He noted that he could be an alternate.

As there was no other business at hand, the meeting was adjourned at 6:54.
