The Planning Board reviewed the budget and agreed to request the same budget for 2024.

In other business, the Board reviewed an application forwarded from the State for an inspection station located at Wade's Garage located on Main Street previously known as Bennington Garage. Chairman Lawrence completed the Town portion of the application and it was put in the mail for the State to complete the approval process.

The Board had a brief discussion about driveway permits and the line of sight requirement. The Board members will review the proposed driveway regulations to be discussed at the November meeting.

As there was no other business at hand, the meeting was adjourned at 6:50 p.m.
