Minutes of the Meeting- December 12, 2023  
Minutes accepted on February 13, 2024

Present        Robert Christian, Chairman  
                  Karen Belcher  
                  Kelly St Pierre

Guest           Priscilla St Pierre

Chairman Christian called the meeting to order at 6:30 p.m.

The minutes of the October 10, 2023 meeting were reviewed and accepted as written.

It was noted that loam for the cemeteries will not need to come out of the cemetery budget. The loam will come from the Transfer Station and be stored there as well. As it is so late in the year, the grass seed will be purchased in the spring. Karen reported that the line item for tree maintenance may not be encumbered for next year unless there is a quote for the work. No quotes have been received at this time.

January 22, 2024 is the Budget Hearing. All Cemetery Trustees were asked to attend the Hearing and there will be no regular January Cemetery Trustees meeting. The Town Deliberative Session will be held on February 5, 2024.

There was one burial in Evergreen Cemetery noted.

The Trustees received the billing from Mr. Chicoine for cemetery maintenance. It was noted that Mr. Chicoine removed 6 stumps and gifted the work to the Town. It was noted that Mr. Chicoine has done a fantastic job in the cemeteries and the Trustees are very proud of the appearance of the Town Cemeteries.

A reminder was given that the Town Report is due soon and there will be no regular Cemetery Trustees meeting in January.

As there was no other business at hand, the meeting was adjourned at 6:51 p.m.
