Karen Belcher called the meeting to order at 6:30 p.m.

The minutes of the May 14, 2024 meeting were reviewed and accepted as written.

The minutes of the April 9, 2024 meeting were tabled.

The first billing for mowing has been received. It included cleaning in the back corner of Sunnyside Cemetery and the corner by the shed at Evergreen Cemetery. Mr. Chicoine also sprayed for poison ivy, but did not charge the town for this.

It was reported that the water has been shut off at Evergreen cemetery for the repair of a water leak.

In other business Rob asked that the Trustees ask about the possibility of the town Highway Department repair the road in Evergreen Cemetery.

It was noted that the Trustees are still waiting for quotes for the tree work in the cemeteries.

As there was no other business at hand, the meeting was adjourned at 6:52 p.m.
