

Bennington Water/Sewer Commissioners' Meeting
December 10, 2024 at 4:00 PM
Meeting Minutes

Present: Jon Charlonne, Melissa Clark, Dennis McKenney, Cathy McGillicuddy, and resident, Craig Beam.

Dennis opened the meeting at 4:00 pm. After reading the November meeting minutes, he made a motion to accept them. Melissa seconded the motion. Minutes accepted.

Resignation: Cathy informed the board that Tyler has resigned. Jon Charlonne will be filling the vacant spot on the board.

Resident: Craig Beam wanted to talk to the board about his water bills. He advised that he recently had his meter changed. He wanted to have his bills reduced as he didn't agree with the extra charges he received due to not having his meter changed. He indicated he didn't think he should have been charged the extra gallons penalties even though he waited as long as he did to get his meter changed. He indicated that he didn't have time and that's why it took so long to get it changed. He left before he and the board could come to an agreement. The board decided to leave his bills the same.

Tomb on 47: Dennis inquired whether that had been taken care of, and yes, it has been.

Nothing further, Dennis made a motion to adjourn at 4:55pm.

Motion seconded by Jon.

Respectfully submitted,

Cathy McGillicuddy, rent collector
