Bennington Water/Sewer Commissioners' Meeting
July 08, 2025 at 4:00 PM
Meeting Minutes

Present: Jon Charlonne, Dennis McKenney, and Cathy McGillicuddy

Dennis opened the meeting at 4:00 pm. After reading the June minutes, he made a motion to accept them. Jon seconded the motion. Minutes accepted.

Rates: a discussion regarding rate increases took place. After discussing the error that was made in the 2025 quarter 2 billing (that the rate increase for that quarter was never done) it was decided that the rates would increase using the projected Q4 increase which will be the last increase for this year. Dennis requested Cathy gather some information regarding how many customers have flat rates and broken meters. He also asked Cathy to figure out an average of all bills in order to make a decision on raising rates for flat/broken meters.

Meters: discussion about residents who still need to have their meters changed out. The Board reviewed unpaid balances for water/sewer customers. There was a discussion about shutting off meters to those residents who haven't had their meters swapped out. Dennis will check with Matt Miller about the rules on shutting off meters.

Nothing further, Dennis made a motion to adjourn at 4:30pm.

Motion seconded by Melissa.

Respectfully submitted,

Cathy McGillicuddy, rent collector
