

**Bennington Water/Sewer Commissioners' Meeting**  
**January 13, 2026 at 4:00 PM**  
**Meeting Minutes**

Present: Melissa Clark, Dennis McKenney, Jon Charlonne, and Cathy McGillicuddy

Dennis opened the meeting at 4:00 pm. After reading the November minutes, Melissa made a motion to accept them. Jon seconded the motion. Minutes accepted.

Discussion regarding 2024 notice from DES that needs to go out. Dennis will call Michelle at DES to figure out what we have/haven't done, and what still needs to be done.

**12 Hancock Road:** Dennis advised he would look at it in April to determine what more should be done regarding repair to his walkway.

**Papermill:** Dennis had a meeting with the Harris Center regarding granting the town an easement for water access on some property they are looking to purchase. Melissa will check DES website for potential grants to assist them in source water. The property would be a potential for a water source for the tow.

**Rate Increase:** discussion regarding sewer rate increases. Jon will find what Antrim's rates currently are.

**Meters:** currently still have 6 residents needing to change meters. Dennis will write a letter to send with Q1 2026 billing.

**Resident complaint:** Melissa advised she took a complaint from a resident on Bible Hill regarding a strong odor of chlorine in their water. Cathy will reach out to Bob from Antrim Water Department and let him know about it.

Nothing further, Dennis made a motion to adjourn at 4:30pm.

Motion seconded by Melissa.

Respectfully submitted,

Cathy McGillicuddy, rent collector
