

Bennington Water/Sewer Commissioners' Meeting
August 11, 2026 at 4:00 PM
Meeting Minutes

Present: Dennis McKenney, Jon Charlonne, Cathy McGillicuddy, Jeremy Wood (Antrim Water)

Dennis opened the meeting at 4:00 pm. After reading the July minutes, Dennis made a motion to accept them. Jon seconded the motion. Minutes accepted as written.

Quotes: Jeremy gave the Board a meter pit quote to be installed on a personal hydrant for a resident in town. The Board approved the quote, and Jeremy will order the meter pit.

A quote for a new chlorinator was presented. That was also approved. Jeremy will order that as well.

Updates from Jeremy: Jeremy advised that he pulled the hydrant apart on Pierce Hill Road. The parts that were ordered prior to him working here were not all correct. He ordered the necessary parts and will complete the work when they come in.

Meter reads were done today. Bills will go out this week.

Discussion regarding digging lines to identify them (lead/copper). There are loans that can be applied for to pay for this project. It was also discussed that Jeremy would like to buy a VAC trailer (approx. cost \$88k). Discussion took place regarding a potential split cost with Antrim leaving the equipment to be used by both towns. Further discussion will take place at the next meeting.

Nothing further, Jon made a motion to adjourn at 4:25pm.

Motion seconded by Dennis.

Respectfully submitted,

A handwritten signature in blue ink, appearing to be 'Cathy McGillicuddy', with a long horizontal flourish extending to the right.

Cathy McGillicuddy, rent collector
